Where:

55 East Jackson,
19th Floor Conference
Room

***RSVP via email to:**

procurement@depaul.edu

*Not required, but encouraged
so we have food for everyone!

DePaul Procurement Services recently established a partner agreement with Corrigan Moving Systems (United Van Lines) to provide departments and individuals with moving assistance.

Please join us for a Lunch & Learn session where you can hear about the services and solutions offered by Corrigan Moving System, and have a chance to meet DePaul's dedicated account representative.

In addition to a short presentation and time for questions and answers, lunch will be provided.

Topics to be discussed:

- What services can Corrigan offer me during a move?
- What assistance can I expect in helping me hiring new faculty and staff?
- What can be expected during a relocation?
- What rates and discounts apply?
- What are the benefits of the CityPointe program?
