InterCall Fees

InterCall, DePaul's preferred vendor for audio conferencing, is the largest dedicated conferencing service provider in the world.

After October 1, 2008, a Universal Service Fund (USF) charge will be applicable to all billed audio usage, regardless of the origination or destination countries of the attendees. This includes all associated audio conferencing feature usage and applicable service fees. Users will now see a new line item in the 'Detailed Version' of the standard invoice separating Federal, State, Local Taxes and Fees on your statements.
